

# LABELS DESIGNED FOR USE WITH NEATO BRAND CD INSERTS

The image shows the album cover for Metallica's 'X'. On the right side, there is a detailed illustration of a skull with a red and white color scheme, wearing a gold and red spiked helmet. The skull has three white rectangular patches with black 'X' symbols on its chest. Above the skull, the word 'METALLICA' is written in a jagged, gold, hand-painted font. On the left side, a large, gold, hand-painted 'X' is centered against a black background with white splatters. Between the 'X' and the skull, the album's tracklist is printed in white and red text.
